

Ovation Specs

Product Number

EF-TT-OV-21

Our extended reach mechanism uses an extra long track to place the keyboard at a greater distance from the desk. The travel distance is 15.7" on a 21" track. Offering a 360 degree swivel, with a convenient tray-tilt indicator display.

No other arm on the market moves like the Ovation, the revolutionary keyboard support system by ErgoFusion by ErgoGenesis. Designed to offer a greater range of motion and maximum user comfort and safety. ErgoFlier's simple, visual gauges, for both height and tilt, make it effortless to find turn keyboard position for a personalized fit.
